

Patrick County Electoral Board Minutes

The Patrick County Electoral Board met in the General Registrar's office at 5:00 pm on Wednesday, February 2, 2022. All electoral board members and the General Registrar were present.

1. The board discussed election officials for 2022 and a list of prospective officials was agreed upon.
2. The board continued the discussion from the last meeting on the possibility of being required to report early voting by individual precincts. The two options available are (1) purchasing new Ballot on Demand hardware and software, or (2) using Express Vote machines to print ballots for each precinct which will require purchasing more Express Vote machines. The cost is about the same and the money has already been put into the budget should the bill pass to require it.
3. The board reviewed and discussed the Minimum Security Standards as set forth by the state.
4. The general registrar told the board that if we had to do a primary election this year it would be held on June 21, 2022 with election official training to be held on June 16, 2022. The general election will be held on November 8, 2022 with election official training to be held on November 3, 2022.
5. The board discussed possible effects of the new magisterial districts which must be set by the board of supervisors by March 21, 2022.

The meeting was adjourned at 6:15 pm.

Respectfully submitted,

Warren L. Rodgers, Secretary
