

Patrick County Electoral Board Minutes

The Patrick County Electoral Board met in the General Registrar's office at 5:30 pm on Wednesday, March 3, 2021. The Secretary, Chairman, and the General Registrar were present.

1. Susan Taylor reported that there will be a primary held on June 8, 2021 and it may be a dual primary. Early voting and absentee voting will start on April 23, 2021.
2. Susan Taylor reported that she had spoken with general registrars from other localities and all of them are needing assistance meeting the minimum security standards as required by the Code of Virginia. Some of the localities are hiring Assura, Inc. to get and keep them in compliance. Susan will talk with the county administrator about our compliance and request an extension of the Plan of Action.
3. The Risk Limiting Audit was conducted on February 25, 2021 at the Patrick County Clerk's Office with representatives from the county republican and democratic parties present. The results of the statewide audit showed no discrepancies in the election results.
4. Election officials were discussed and about half of them have turned in their paperwork so far.
5. Susan Taylor reported that the new voting equipment had been delivered.

The next Electoral Board meeting will be coordinated with the L&A testing of our voting equipment and a date will be announced once the L&A test date is determined.

The meeting was adjourned at 6:35 pm.

Respectfully submitted,

Warren L. Rodgers, Secretary
