

2021 Real Estate Tax Statements

2021 Patrick County real estate tax statements were mailed Monday April 26th. The statement design is the same as in year 2020---one statement with two payment stubs. The first ½ of 2021 real estate tax is due June 7, 2021 and the second ½ is due December 6, 2021. Taxpayers are mailed one notice for each real estate parcel owned and it is up to the taxpayer to bring or mail their payment by each due date---**no reminder notice will be mailed**. Please read the statement carefully---each stub states the appropriate due date and amount. If taxpayers wish, they may pay the annual amount in full by sending both payment stubs, along with the annual amount, by the June 7th due date.

A 10% penalty is added to the first ½ of unpaid taxes on June 8th. Interest at a rate of 10% per annum will begin to accrue on unpaid taxes and penalty 26 days after each due date. An insert is included with the tax statements explaining the real estate due dates.
